# For Cigar Binder Growers

**February 26 is an important  
date**

## **WHY?**

It is the day on which the cigar binder (types 51 and 52) tobacco marketing quota referendum will be held.

## **WHAT'S AT STAKE?**

If two-thirds of the growers voting in the referendum vote "YES" (in favor of quotas), the marketing quota and price support program for cigar binder (types 51 and 52) tobacco will be continued for the next 3 years.

## **OR**

If more than one-third of the growers voting vote "NO" (against quotas), there will be no marketing quota or price support program for cigar binder (types 51 and 52) tobacco for the 1963 crop.

## **WHO MAY VOTE?**

Any person—as owner-operator, landlord, tenant, or sharecropper—who was engaged in the production of cigar binder (types 51 and 52) tobacco in 1962.

## **VOTING PLACE**

Your ASC County Committee will announce the location of a polling place in each community or neighborhood.

## **YOUR VOTE IS IMPORTANT**

This is your opportunity to help decide whether marketing quotas and price supports for cigar binder (types 51 and 52) tobacco will be continued for 1963, 1964, and 1965. Cast your ballot.
